## FISH

This is a unique shape and opens up a lot of creative designs. Wearing this will definitely make you stand out.

## LOTUS

This cut has 156 facets, nearly twice as much as a standard brilliant cut diamond. This stone dazzles with double the shine & sparkle.

## ALPHABET

These diamonds have many grooves and are difficult to cut. Having a diamond in the shape of your name or your loved one's name offers a beautiful sentiment and a personal touch to any jewellery.

## CHRISTMAS TREE

'Christmas Tree' - Perfect for the holidays! Add sparkle to your festivity with this Christmas Tree diamond.

## STAR

Inspired by nature's beauty 'Diamonds of the Sky' comes our famous star-shaped match pair.

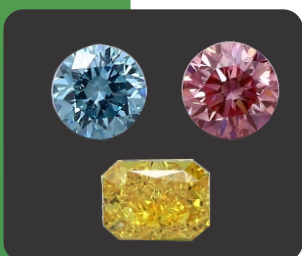

## KITE & BUTTERFLY'

Spring is all about flowers blooming, birds chirping, kites flying, and butterflies fluttering. What better way to mark the season than with butterfly & kite shaped diamonds.

## CROSS

A universal symbol that holds deep meaning. It is the perfect piece to keep close to your heart.

## BLUE' 'PINK' 'YELLOW

A rainbow of colors that will brighten up and bring life to any piece.

## LARGE STONE

We have a range of sizes from 5 carats and up. Our competitive pricing and large inventory makes LGD the perfect one-stop-shop for all your lab grown needs. We offer certification in IGI, GIA, and EGL.

## FANCY LAYOUTS

We provide calibrated size whether it's for a big project or an eternity design. We have a variety of different shapes in ovals, cushions, pears, emerald, radiants, princess cut, and many more. What we don't have, we can custom cut based on your specifications.

## COLOR DIAMONDS

Blue, Pink, Yellow, Purple, Black, and White. There are so many options to choose from and every shade is a little different. Our team of sorters will do the work for you to match the colors and create a beautiful layout.

## ROUND SMALL STONES

As tiny as 0.8mm to 0.90 carats, we offer a range of assorted & calibrated round lab grown stones. Our inventory is organized based on strict standards of color and quality so you can be confident in our consistency. We will size the stones based on your casting and provide on spot delivery.

## JEWELRY

Theia Jewelry Art is our sister company and has variety of different jewelry such as bracelets, necklace, rings, stud earrings, etc. If you would like a custom piece, our Theia Jewelry team is very experienced and more than happy to help.
